

5th International Conference

Collapse and Regeneration: Community-led initiatives prefiguring liveable futures

26 to 28 November 2025, Lisbon, Portugal

QUICK LINKS

[26 November 2025 - DAY 1](#) | [27 November 2025 - DAY 2](#) | [28 November 2025 - DAY 3](#)

[Book of Abstracts' 2025 \(link\)](#)

P = Panel | S = Session | EP = Experimental Report

- In works with more than two authors, **only the presenters of the papers/works are listed in the programme**, referenced as '*et al.*' after the first author/presenters - please consult the [Book of Abstracts \(link\)](#) for all the co-authorship, affiliations and abstract proposals for each panel and session.
- The different works within the panels and sessions are not in order of presentation. This order will be defined internally by the presenters and communicated at the start of each panel and session.
- The Keynote Roundtables and abstract Panels (P) will be supported by a moderator from the Organization.
- The Sessions and Experimental Reports are self-managed within the group that proposed the session and must have their own moderation/facilitation, although there will be a member of the Organization present for assistance.
